POST TO ALL YARDS

RE: JOB POSTING – SUMMER PROGRAM 2024

We are currently seeking expressions of interest for the following positions outlined on the attached sheet for the upcoming 2024 summer season. Please submit written expressions of interest to your Area Superintendent off on or before end of day on April 3, 2024.

All employees wishing to express an interest must do so by the assigned date whether you held the position last season or not. This process allows those who may be reconsidering their summer employment to give the company notice to allow the position to be filled by another colleague if they are not intending to return. It is our intent to inform of the summer program positions prior to April 19, 2024.

If you have any further question, please refer them to your Area Road Superintendent for clarification.

Thank you,

Curtis Barker
Division Manager, Kenora

Cc: Jay Jewett, HR Manager
CUPE
